来学普通话

A horizontal row of ten identical boxes, each containing the Chinese character '不' (not) in a black sans-serif font. The boxes are arranged side-by-side. The first box on the left is highlighted with a blue background, while the other nine boxes have a standard light gray background.

A horizontal row of ten identical boxes used for a matching exercise. Each box contains the Chinese character '好' (hǎo) in a light gray font. The first box, representing the correct answer, has the character colored green.

A horizontal row of ten identical Chinese characters '很' (hěn, very) arranged in a grid. The first character is highlighted in green, while the others are in gray.

**好** 好 好 好 好 好 好 好 好 好 好

The image consists of a horizontal row of 10 small square boxes. Each box contains a graph with a central node (star) and several dashed edges connecting it to other nodes. The graphs show a progression from a single edge to a more complex, symmetric star shape.

A horizontal row of ten small square plots. Each plot contains a grid pattern with dashed lines forming a star shape, centered on the grid.
